Reimagining medicine at Novartis

- **Our Purpose** is to reimagine medicine to improve and extend people's lives.
 - We use innovative science and technology to address some of society's most challenging healthcare issues.
 - We discover and develop breakthrough treatments and find new ways to deliver them to as many people as possible.
 - We also aim to reward those who invest their money, time and ideas in our company.
- **Our Vision** is to become the most valued and trusted medicines company in the world.
- **Our strategy** is to build a leading, focused medicines company powered by advanced therapy platforms and data science.

Our strategic priorities

Delivering transformative innovation

Unleashing the power of our people

Embracing operational excellence

Go big on data and digital

Build trust with society
